

# TENNESSEE Task Force One

Urban Search & Rescue  
Memphis

September 29, 2001

Dear Theresa,

I hope that this letter finds you and your coworkers safe and sound and getting some well deserved rest. As a member of Tennessee Task Force One Urban Search and Rescue I write on behalf of all members. Although our deployment to the Pentagon following the attack of September 11<sup>th</sup> was a life-changing event for many of us our mission there was made better by your kindness, encouragement, and unrelenting hard work in support of our members. It is individuals like you who give tirelessly of themselves and their time that make this country great. God bless you.

Sincerely,

Steven DeStefanis  
Search Team Manager  
TN.-Task Force One
